5. **Page 3-** This page should be titled **"Acknowledgment"**, to express your gratitude for the help and co-operation given to you by any individual or organization. Remember that, you should record your thanks /Gratefulness to all those who have helped you or encouraged you, it does not matter how small the help may be or who the person may be. For e.g., you could thank your teacher, mum, dad, sibling, a librarian, a neighbour etc. **This write up should preferably be of 100-150 words.**

The last page will contain a **"Bibliography"** or **"Sources"** from where you have gathered information for your project. The sources can be books, websites, TV channels, Radio channels, newspapers, museums, libraries, people you have contacted or any other source of information
